Dear Parents,

Congratulations on making it through another month of Afterschool during this tumultuous year! We are excited to be following the theme of "Space" throughout November. Your children will be learning about the vastness of the universe, including our own galaxy and solar system, and of course, our very own planet Earth. We have dozens of fun and exciting activities planned, and my team looks forward to engaging your kiddos. We will be making galaxy pinwheels as well as creating our own stars! Be on the lookout for these fun and educational crafts we will be sending home, as some of them may be delicate! Please never hesitate to contact me with any questions or concerns! Happy Thanksgiving!! - Mr. Jason

**Brevard After School**

The Brevard After School programs have a Facebook page that you can follow and see pictures of all the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

## Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
