Dear Parents,

We are excited for the new year. Welcome back. If you have any questions, please contact us.

Attendance in Brevard After School Academy Mainland

The Brevard After School Academy Mainland Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.

There's no elevator to success. You have to take the stairs.
