Dear Parents,

Hello families, we are entering some fun space exploration activities this month. We are going to be learning about the solar system and astronauts. We hope you all enjoy taking the journey with us as the children bring their space creations home to share with you all. The sun, stars, moon, galaxies and planets, so much to see and learn.

Please remind children to wear safe shoes for playing outside as well to keep their little feet safe from bites and scrapes.

We hope you all have a fun and safe Thanksgiving Holiday.

Brevard After School

The Brevard After School programs have a Facebook page that you can follow and see pictures of all the exciting things your child is doing while in the program. The Facebook page can be found by searching for Brevard Public Schools Brevard After School.

Live so that when your children think of fairness, caring & integrity, they think of you. —H. Jackson Brown Jr.

Simple Tips on Reading

A child's success as a reader begins much earlier than the first day of school. Reading, and a love of reading, begins at home.

Parents of toddlers: recite rhymes, and sing songs; choose engaging books, keep reading short, simple and often.

Parents of kindergarteners: talk to your child; say silly tongue twisters, sing silly songs, and read rhyming books.

Parents of elementary students: re-read favorite books; take control of the television; play word games, I read to you, you read to me; tell family stories and create a writing box with drawing and writing materials.
