Dear Parents,

The year is winding down. Where did it go? We are still on our overarching theme of Medical City. The students are enjoying all the fun activities planned for them each day. The students are also continuing with our academic time with the teachers. The teachers are working very hard with each student with their homework, remediation, along with FSA strategies for grades 3-6. The students are also able to get on the computers during academic time and work on I-Station, Mobymax and other educational games. We have a great team of teachers working with the students.

Our partner, A Sporting Chance, has been coming out for the last 5 weeks and working with all of our students. The students are enjoying all the fun games that they get to participate in every week. They are coming out one more week as a make-up week, for a day we missed due to weather.

Boy and Girl Scouts continue to come out every other week.

I want to thank all of our families for understanding our new implementation of checking ID's every day and the no cell phone zone when signing out your children. The safety of your children is our #1 priority.

Spring Break is coming up soon as is the end of school. Please remind your children of School/After Care rules and the importance of staying safe.

Have a Happy, Restful, and Safe Spring Break!

Education is a gift that no one can take away.
-American Proverb

Upcoming Events

April 10-14, 2017
Spring Break

A Sporting Chance

April 24-28, 2017
After School Professionals
Appreciation Week

How to help your child succeed in school:

- ❖ Stay involved and feel free to contact your child's teacher with any questions or concerns.
- ❖ Ask your children about school and encourage them to talk about their day.
- ❖ Read with your child every night.
- ❖ Teach your children to be responsible for their actions and schoolwork.
- ❖ Help your child with his/her homework every night.
