Dear Parents,

Welcome back to school! We are excited to have your children in BASA: Mainland grant program at Sherwood Elementary. Our overarching theme for this 9 weeks is It's About Time. This year we will have several partners coming out to work with our children. The following are the partners: Girl and Boy Scouts, 4-H, Victory Sports, Culinary Arts, NASA, and BCSO. Please make sure you are signing your children out each day, with your time, signature and printed name. Remember, earliest time the students can be signed out is a 5:47. The students need to remain in the program all day to get all the benefits of the program.

We have teachers that will be working with your students with basic math skills, reading, homework help etc.

Please remember No toys or electronics from home should be brought to school.

If you have any questions, suggestions, or concerns please call or email, Ms. Heidi, at Jacobson.Heidi@brevardschools.org

Attendance in Brevard After School Academy

The Brevard After School Academy: Mainland Program is an academic based program which requires students to attend until 6:00 pm daily. We want every student to get the maximum benefit from the program. If your child is absent or not attending on a specific day, please let us know. This is for the safety of your child.
