Dear Parents,

Happy New Year 2020! Welcome back. We hope you had a wonderful holiday season. We will be continuing our badge work with our Overarching theme of Medical City. Also, beginning January 15th, Ms. Beverly will be visiting each week for 7 weeks with Culinary activities. The students will be busy preparing recipes and lots of tasting new things. The Boy Scouts will also be coming out every other week.

The students will continue to be pulled daily by their Academic teachers and will be working on Math, ELA, and Science/STEM. Our Homework time is at the end of the day from 5:00-6:00 pm. If your child needs help, we have Mrs. Seus who will be assisting students. It is important that your child remains in the program until 5:47 each day. Attendance will affect funding of our programs.

Our Family Workshop for January will be held on January 29th, the title is 5 Ways to Reduce Test Anxiety in Children. Mrs. Seus will present the workshop in Room 704 from 5:15 -6:00 pm.

Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

What we learn becomes a part of who we are.

Creating Your Child's Own Reading Library

How to Choose Books:

- Look for books based on your child's interest.
- Find your child's favorites.
- Choose situational books.
- Use books to learn about and celebrate special events.
- Choose a book appropriate to your child's development.
- Look for books that initiate independent reading.
- Choose the right reading level.
- Organize by categories.
