Dear Parents,

We are continuing our PBL theme of Inquiring Minds. We are also continuing with Boy Scouts, Girl Scouts, United Way Reading hour. Beginning this month, Ms. Beverly will be here with UFIFAS Extension, Kids in the Kitchen. The students will learn to follow recipes, expectations of health and safety in the kitchen, and best of all, they will prepare their own snack.

Mrs. Seus and Ms. Borghoff are our Academic teachers, they will still be working with homework, skilled-based practices, and remediation.

On Thursday, January 24<sup>th</sup>—is our next Parent/Family Workshop. The title is Family STEM Night. It will be held from 5:15 – 6:00 pm in Mrs. Seus' room. Please make sure to attend for credit.

**A few reminders to begin the new year:** Please make sure to update us with new addresses and telephone numbers. Please check the lost and found for any missing items. Please make sure your students are keeping all toys at home.

## Reminders

Please remember that this is a federally funded program and the main requirements that must be met to continue these services are: that your child needs to attend daily (five days a week) and your child needs to stay to participate each day until 5:47 pm. Additionally, you must attend at least two adult workshops during the year.

We are audited throughout the year by observation and record keeping. We do not want to jeopardize the program in its entirety so please help us by respecting these requirements. Also, we enjoy seeing your child learn new tools to help them become successful!

**What we learn becomes a part of who we are.**
