Coordinator: Heidi Jacobson T: 321-254-6424 ext. 2201/2200

Dear Parents,

We are beginning our last PBL project, Medical City. We also have a new partner coming out for the next 6 weeks to work with our students. A Sporting Chance will be here on Wednesdays from 1:45 – 3:45. Boy/Girl Scouts continue to visit every other Thursday, from 3:00 -4:30.

Beginning, March 6th, we will begin the procedure of checking ALL IDs of everyone picking up students from our aftercare program. Please make sure to have your ID on you when signing out students, every day.

We have our last 2 Parent workshops coming up this month. Please come and join us on March 8th for Hassle Free Homework and on March 22nd for Summer Slide. Both workshops begin at 5:15.

Our program begins at the end of the school day and provides activities until 6:00 pm each school day. Since our programs are funded based on attendance and in order for your child(ren) to take full advantage of the projects we have in place, we ask that you do not pick up your child(ren) before 5:47 pm. Please speak to the coordinator about your child's scheduled pick up times for emergencies and doctor's visits.

Reminder: Friday, March 17th is a Teacher Workday/Student Holiday. Spring Break is Monday, April 10th – Friday, April 14th.

Education is what remains after one has forgotten everything he learned in school.

–Albert Einstein

Upcoming Events

Summer Slide Workshop
5:15-6

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
