Dear Parents,

We have begun our last Overarching theme of Culinary. The Primary students are working on the *How Does My Garden Grow* Badge and the Intermediate students are working on the *Farmer's Market* Badge.

We have finished up with Kids in the Kitchen with Ms. Beverly. The 7-week program went by so fast, and the students and staff thoroughly enjoyed the program. Girl Scouts and Boy Scouts are continuing to come out every 2 weeks.

Mrs. Seus and Ms. Borghoff are working very hard with the students. They help with Homework, remediation, and skill-based practices. Please remind your students to be prepared to work on Homework.

Spring Break will be upon us very quickly. Also, Friday, March 15th is a student holiday. All BAS programs will be closed for the Professional Development Day on March 15th and the week of Spring Break, March 18th-March 22nd.

We currently need the following donations: Large cardboard boxes, old magazines, empty, clean milk jugs, Plastic eggs, patterned paper like wrapping paper or wall paper samples. If you can donate anything, please bring it in as soon as possible.

Thank you for supporting our 21st CCLC BASA: Mainland program!

Test Taking Tips for Parents

- ✓ Keep a positive attitude about tests.
- ✓ Mark down test days on your calendar so you and your child are both aware of testing dates.
- ✓ Make sure that your child gets enough sleep on the night before the test.
- ✓ Ensure that your child eats a healthy breakfast and avoid heavy foods that may make him/her groggy and avoid high sugar foods that may make him/her hyper.
- ✓ Make sure that your child gets up early enough so that he/she will be on time to school.
- ✓ Talking about the test with your child can relieve stress about test taking.
- ✓ If your child is struggling on their tests, talk to them about it and meet with their teacher to find out the best way to help your child.
- ✓ Praise/reward your child when they do well on a test or for their hard work preparing for a test.
