Parents,

As we close out the 2017-2018 school year, I would like to thank you for all your support and for sharing your children with us. The last few weeks of school we will be working on our last Project Based Learning titled, National Parks. The primary grade students will earn the Park Explorer Badge and the Intermediate grade students will earn the Outdoor Destination Badge.

We finished up with Boy Scouts for the year and have one more visit from the Girl Scouts. The students enjoy these club meetings and activities very much.

Registration for next year will take place during late July/early August. Please check back during the summer. School starts on August 10, 2018.

If you need information for summer camp, Brevard After School is offering camp at 8 different locations. These are fee-based programs. You can find information on our website: www.brevardafterschool.com.

Thanks so much for a great year! We hope you have a wonderful, restful, and safe summer!

Ms. Heidi, Ms. Mary, Ms. Yadi, Ms. Josephine, Ms. Kathy, and Ms. Carrie

May 23

Last Day of School

Ways to Prevent Summer Slide

- Read EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! Most libraries have a wonderful summer reading program with incentives and rewards for books read over the summer.
- Cook with your children. This is one of the best ways to integrate math, reading and following directions.
- Plant a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
- Take a field trip to a museum, zoo or local park with walking trails.
- Learn a new word each week! Hang it on the fridge and see who can use it the most times throughout the week.
- Enroll in a quality summer program that will provide your child with opportunities to build their critical thinking skills.
- Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
- Listen to Audio Books during your road trip.
- Take pictures and make a summer scrapbook.
- Did I mention READ?! If your child does nothing else this summer make sure he/she is reading!
